2024 Annual Holiday Luncheon ~ Silent Auction and Raffle for 2025 Scholarships

Dear Central Coast Merchants:

This year the Annual Holiday Luncheon for the Cambria Community Scholarship Foundation CCSF (formerly University Women of Cambria) will be held in December. This event is the CCSF's main fundraiser to provide student scholarships to Coast Union and Leffingwell High School graduates as well as individuals continuing their education. In June 2024, thanks to the generous donations from our community, we awarded \$42,000 in scholarships to college-bound students. We hope to match or exceed that amount this year!

We are seeking donations of auction items and raffle prizes from business owners, crafters, artists, friends, and our members to make this year's event a success.

Examples of donations are gift certificates, services, jewelry, gift baskets, handcrafted items, food, wine, travel, art - anything would be greatly appreciated!

We hope to have all donations confirmed by **Saturday, November 23, 2024**, and will arrange for pick-up at any time.

Please fill out the information below. After the event we will send you a letter of acknowledgement with our tax identification number for tax purposes.

CCSF Member: _____

Business Name: _____

Business Address: _____

Donation Description: _____

Estimated Value: _____

Signature: _____ **Date:** _____

Please contact us if you have any questions. We appreciate your continued support of our organization and the student scholarships!
